## Premium Automotive Butyl Tubes and Flaps

IS : 13098  
  
CML-4866688

  
ISO 9001:2015  
CERTIFIED

## Introduction

---

We are one of the prominent names engaged in manufacturing, supplying exclusive array of Automotive Butyl Tubes in the market, which was established in 2005 in the name of SURYA INDUSTRIES. Our product range includes Motorcycle Tubes, Scooter Tubes, Auto Tubes, Three Wheeler Tubes, Passenger Car Tubes, LCV & Commercial Tubes, Truck & Bus Tubes and Agriculture/ Farm Tubes. Our products are widely accredited in the market for durability, flex Life, capable to bear high loads, correct size, efficiency, consistent performance, trouble free driving and reliability.

While we functioning from India with our strong network of sales and distribution offices in multiple cities, we aspire to become a leading global exporter of butyl tubes. Our unit is situated in Barhi, Industrial area; district Sonipat, Haryana (INDIA). We are an ISO certified and BIS approved company.

## Our Market presence

---

- Replacement market through distributors in various states of India
- Export to multiple countries.
- We also do job work for Multinational Tyre Companies
- State Road transport of India.

## Our Mission and Goals

---

We strongly believe that the customer is the king. Our prime mission is to match the customer needs in the most fulfilling way and be able to optimize as per the market and industry requirements. We are dedicated to quality and engineering and all inclusive range of butyl tubes.

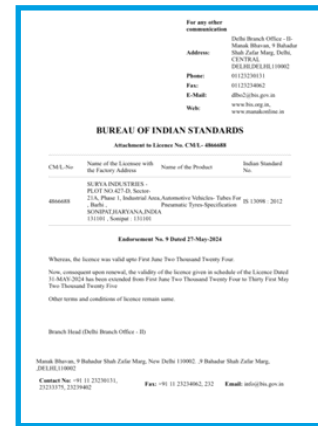

# About Us

## Quality & Testing

We are offering our customers quality tubes for their tyres. Principal raw material is used to manufacture our product are finest quality raw material that is out-sourced from trusted vendors of the market. Raw material is released only after physical and chemical testing. Strict process control measures are taken and every tube is passing through predefined specifications.

We have in house state of art Laboratory wherein finished product is tested and every lot of tube are tested and released thereafter to ensure the quality parameters specified by the Bureau of India Standards (BIS)

# Products

## Our Brands & Packaging

---

### BRIGHT-ONE

### STC MODI POWER

We also do OEM and packaging customization as per customers requirement.
